

**Jordan Cattle Auction
Mason & San Saba
April 7, 2011**

Receipts totaled 2267 head for the week. The market was active and demand good. We are beginning to see several light weight new crop calves coming to town due to the price and the dry conditions and are carrying more flesh than some of the dried out cattle we have been seeing for the past several months. The stocker steers and heifers all sold on a steady market and the feeder steers and heifers sold steady to \$2 lower on the new crops with the true yearlings selling \$1-\$2 higher. Packer cows and bulls sold steady with the top bulls at \$100 and cows at \$90. Pairs and bred cows sold in good demand with the top pairs @\$1460 on 7 Angus pair.
