

Jordan Cattle Auction

Thursday, July 7

SAN SABA - Receipts totaled 2343 head for Thursday. The market advanced higher following the July 4th holiday with reports across the country that meat sales during the holiday were much greater than expected. Add this information to the 11% less placements put on feed in May and the big drop in corn prices due to more acres planted and a greater estimated carryover were very positive for the cattle market. The stocker steers advanced \$5-\$7 with a set of 12 steers @527lbs bringing \$1.52. Stocker heifers sold \$5 higher. The bigger feeder steers sold \$3 higher and feeder heifers were \$5 higher. Packer cows were \$4 higher and bulls were \$3 higher. Pairs and bred cows all sold on an active market with many going to out of state buyers. There was no sale in Mason due to the July 4th holiday.
