

**Jordan Cattle Auction**  
**July 28, 2018**

**SAN SABA, TX** – Receipts totaled 2,536 head. The dry conditions and the extreme heat that we have had over the last several months has softened demand for replacement females due to the shortage of grass, hay, and tank water. Buyers were on hand from Florida, Arkansas, Louisiana, Iowa, Kansas, California, and Texas along with 644 on the internet. A lot of the cattle went out of state where moisture conditions have been good. A little over 500 pair sold with the better younger pairs ranging from \$1,250 up to \$1,725 with the higher end being some pairs that were 3in1's. The solid mouth pairs carrying less flesh and summer calving pairs sold from \$1,000 up to \$1,250. A large offering of bred cows sold with the young fleshy fall and winter calving cows ranging from \$1,175 up to \$1,400. The solid mouth, short bred, and cows carrying less flesh sold from \$675 up to \$1,150. The bigger better medium to long bred heifers sold from \$1,100 up to \$1,325. The heifers that were smaller frame, short bred, and some carrying less flesh brought \$800 up to \$1,075. Most of the open heifers that were bigger, longer age and in good flesh sold from \$900 up to \$1,225 except for one set of open registered Herefords that went for \$1,475. The lighter weight open heifers sold from \$700 up to \$875. The next Replacement Female sale will be on Saturday August 25<sup>th</sup> at 10:00 A.M. in San Saba, Texas.
